

REMARKS

In the last Office Action, the Examiner allowed Claims 1 – 39 but objected to the form of the Abstract as not being on a separate sheet and not in the proper form. The Examiner also objected to the disclosure because the patent application numbers listed in the Specification did not reflect their patent status.

In response, Applicants submit herewith a replacement Abstract in the proper form and on a separate page as well as a replacement paragraph updating the patent status of the applications listed in the Specification. No new matter has been added. Applicants believe that the application is now in condition for allowance.

This Reply to Office Action is being submitted within the shortened statutory period and no fees are believed to be due. The Commissioner is authorized to charge Deposit Account No. 503982 of Momkus McCluskey, LLC to overcome any deficiency or to credit this account for any overpayment.

Respectfully submitted,

/Steven Behnken/
